conferences

International conferences

- FRIEND JFC (2001)** Possible solutions to the challenges facing environmental management in a first/third world developing country. Paper presented at the *6th World Congress of Chemical Engineering*, 23 - 27 September 2001, Melbourne, Australia. [Conference proceedings ISBN 0 7340 2201 8.]
- FRIEND JFC (2003)** The Blue Model, education and effective environmental management in South Africa. Paper presented at the *Building Capacity for Impact Assessment, 23rd International Association for Impact Assessment (IAIA) conference*, 17 – 20 June 2003, Marrakech, Morocco.
- FRIEND JFC (2003)** Water balances – an essential environmental tool for power stations. Paper presented at the *CHEMECA 2003, 31st Australasian Chemical Engineering conference*, 28 September – 1 October 2003, Adelaide, Australia. [Conference proceedings ISBN 0 86396 829 5.]
- FRIEND JFC (2004)** Practical implementation of environmental legislation in a first/third world country. Paper presented at the *24th International Association for Impact Assessment (IAIA) conference*, 24 – 30 April 2004, Vancouver, Canada.
- FRIEND JFC (2005)** Assessment criteria for determining environmental impact significance ratings. Paper presented at the *25th International Association for Impact Assessment (IAIA) conference*, 31 May - 3 June 2005, Boston, United States of America.
- FRIEND JFC, NELL LR, GOOSEN AJ and CONLIN JB (1997)** An environmental assessment of water management at Eskom coal fired power stations. Paper presented at the *Power Plant and Environment 1997 VGB conference*, 16 - 17 April 1997, Düsseldorf, Germany.
- SOYEZ K, MARKERT HO, NDUMO N and FRIEND JFC (2008)** Improved energy supply, waste management and climate effects by use of biogas technology in South African prison farms. Paper presented at the *ORBIT 2008 Waste Management conference*, 13 - 15 October 2008, Wageningen, The Netherlands.

National conferences

- FRIEND JFC (1996)** Formulating and developing an environmental auditing system to add value to your business. Paper presented at the *Industrial Waste Management Solutions - 6th Annual Waste Management symposium*, 22 - 23 January 1996, Johannesburg, South Africa.
- FRIEND JFC (1996)** A practical guide to conducting environmental audits. Paper presented at the *Environmental Systems Standards and Auditing conference*, 20 - 21 May 1996, Johannesburg, South Africa.
- FRIEND JFC (1997)** Environmental audit - process and methodology. Paper presented at the *Conducting and Managing Environmental Audits conference*, 23 - 24 October 1997, Johannesburg, South Africa.
- FRIEND JFC and GOOSEN AJ (1994)** Water management at Eskom fossil fuelled power stations. Paper presented at *Chemical Engineering into the Future - 7th National SAChE congress*, 22 - 24 August 1994, Johannesburg, South Africa.
- FRIEND JFC and LOEWENTHAL RE (1991)** Stasoft Version 3.0, an interactive program for chemical conditioning of low and medium salinity waters. Paper presented at *The PC and the Process Industry - 4th SAChE biennial symposium*, 9 - 10 April 1991, Pretoria, South Africa.
- MILLS JE, HANSEN AD and FRIEND JFC (2009)** Monitoring black carbon, its role in climate change and air pollution. Paper presented at the *National Association for Clean Air (NACA) conference*, 14 - 16 October 2009, Vanderbijlpark, South Africa.
- VAN GREUNEN L and FRIEND JFC (2006)** Selection of air pollution control technologies for power plants, gasification and refining processes. Poster presented at the *South African Chemical Engineering congress*, 20 - 22 September 2006, Durban, South Africa.
- VENTER C, FRIEND JFC and BURGER LW (2004)** Assessment of the hierarchy of vapour emission control and the quantification of VOC emissions from petrol storage and distribution systems. Paper presented at the *National Association for Clean Air (NACA) conference*, 7 - 8 October 2004, Johannesburg, South Africa.

XABA SM (2007) Mitigating project risks to avoid potential loss of project quality. Paper presented at the *Project Risk Management conference*, 12 - 13 February 2007, Johannesburg, South Africa.
